**BUILDING GLOBAL LEADERS
OF TOMORROW**

**ADMISSIONS OPEN
2019 - 2020**

VISION

We develop and empower our students to become godly leaders and innovative thinkers who will influence all sectors of society, locally and globally, creating a better world.

MISSION

We offer a multifaceted curriculum that builds and equips our students mentally, physically, socially and spiritually. They will learn how to think critically and creatively; participate in top-notch sports programs; engage with other cultures and in local societal issues; and grow in the godly attributes of love, mercy, compassion, forgiveness, humility, patience, integrity and respect.

ABOUT OUR SCHOOL

We are committed to pursue excellence in all that we do and will work tirelessly to give our best to develop all aspects of your child's life: mental, physical, social and spiritual. We understand what is required to build global leaders of tomorrow. We know the character traits, skills, and knowledge that one must embody in the constantly growing, changing, and evolving environment of the 21st century. It is no longer enough to rest on academic merit, but what defines a truly great leader are strong moral principles, self-awareness, empathy and respect for all peoples, and selfless determination. At Mt. Sinai, we are passionate about raising a generation of Indians who will go on to build healthy families, communities, nation and a better world.

CURRICULUM

Our approach to education is multifaceted, taking into consideration the inter-relationships among the various dimensions of child development. We focus on four areas: mental, physical, social and spiritual. The medium of instruction is English and each classroom is a SMART class.

COMMUNITY

We believe the parents play the most vital role in their children's well-being and progress; therefore, we intentionally reach out to educate and empower the families of our students so that they become an integral part of the Mt. Sinai community.

COMMITMENT

We believe in identifying the God-given abilities of our students and doing all we can to facilitate the realization and development of every person's full potential.

CONDUCT

We believe every member of the Mt. Sinai community is created in God's image, so we treat each person with honor, dignity, respect, kindness and fairness, regardless of religion, caste or creed.

TEACHING AND NON-TEACHING STAFF

We have excellent, experienced, dedicated and well qualified teaching and non-teaching staff.

BUILDING GLOBAL LEADERS OF TOMORROW
